

# WOMEN'S MARCH ON NJ

MORRISTOWN • JANUARY 20, 2018

The Women's March on New Jersey 2018 will begin at Town Hall, 200 South Street, in Morristown, NJ at 11:00 a.m. After a welcome and send-off, we'll head out to march the Green, where you will hear from a program of diversified and compelling speakers. The event will conclude about 1:00 p.m. We are excited to celebrate the achievements of women after last year's historic march. Since that time, we ran for office, told our stories, listened, organized and voted. We are now ready to mobilize women across New Jersey to bring our POWER TO THE POLLS this November.

## our Goals:

- EMPOWER every human who participates to stand up for their beliefs and their rights.
- CONNECT victims of discrimination, civil injustice, sexual harassment, or inequitable treatment in an environment that encourages them to share their stories, receive support and know that they are not alone.
- REMIND the elected officials of New Jersey that they serve the people and we expect our civil liberties to be upheld.
- DELIVER hope to those who have lost confidence in our government by demonstrating that power lies with the people.
- INFORM every person that our right to assemble, march, demonstrate protest and vote is sacred and should be exercised.
- BRING OUR POWER TO THE POLLS through increased voter registration and participation in both the 2018 primary and general elections.

## Host Committee:

Action Together New Jersey, BLM-Morristown, BlueWaveNJ, League of Women Voters of the Morristown Area, Mobilizing Montclair, New Jersey Citizen Action, New Jersey Working Families Alliance, NJ 11th for Change, Planned Parenthood Action Fund of New Jersey, and Wind of the Spirit
