A. Sign up to receive Action Alerts through Capwiz

Bills are introduced, passed out of committee, and are on the floor swiftly in Trenton during a legislative session. That's why it is so important to be able to contact your legislators quickly. The League of Women Voters of New Jersey has a program that allows you to do just that!

Sign up to receive Action Alerts through Capwiz and have the ability to instantly send an email or a fax to your elected officials concerning the League's advocacy efforts. It only takes a minute to sign up, and in the same amount of time you can be contacting your legislators about the issues that matter to you and the League. Action Alerts will be delivered right to your inbox!

Although Action Alerts are sometimes sent through the eVoter, it is important to sign up on this mailing list as well. Action alerts sent through Capwiz are bill specific and allow you to contact your legislators electronically and more efficiently. Please visit <http://capwiz.com/lwv/nj/mlm/signup/> to sign up and be a part of the League's advocacy efforts.
